Solid Black CMYK Values of: C=70 M =50 Y =50 K =100

Please check the following:

√ All company details √ Spelling √ Correct colours are used √ Correct template is used √ Positioning of artwork	Please note that because of the way we see light, colours printed with ink look different to colours displayed on a computer screen. It is therefore essential that the correct corporate colours must be specified by the client before printing. Providing Pantone colours ensures the colours are printed as close as possible to your corporate colours.

Send Artwork:

Email to artwork@spacepro.ad if size is less than 20MB.
For large artwork, use free service of www.wetransfer.com/www.hightail.com, or any other website to upload file and send us the download link.
(with clear reference of your order/invoice number)
